Projects Update - we are sealcoating and will probably finish sometime in August; today we are mixing two loads of oil for cold mix and will lay a couple patches too; the new employee is working out well as we have him on the chip spreader now; two retired guys have come back and are doing the mowing; the recycle bins for the farmers are just being housed here so there is no cost to us.

The speed limit on CTH K was discussed. Tom has looked at it since the last meeting. After discussion, Wiegel made a motion and second by Wilson to reduce the speed limit to 45 mph on CTH K from Country Club Road to STH 23. Motion carried. We will put temporary orange flags on the signs to make people aware for a while.

Equipment Update - we have tried out a CAT, Case and Volvo loaders. A Komatsu is coming on Monday, and after that we will try a John Deere and Kawasaki. The bid letting will probably be held the first meeting in August. The new generator is to arrive in August, and the new truck is in Shullsburg and will go to Monroe for the attachments.
